Circus Artist

Jui-Hung. Li (Ray)

Biography

- He started training at a circus school in Taiwan at 10 and never stopped, whether it was handstands, juggling, aerials, acrobatics, dance...etc.
- After graduating the Bachelor from the National Taiwan College of Performing Arts (NTCPA) at 22, he started a new journey at ESAC (école Supérieure des Arts du Cirque) in Brussels, Belgium.
- Now based in Brussels, he has worked with Therethere company 【BE】 ,Cirque Pardi 【FR】 , and working with one of the show of Cie LAMENTO . 【FR】

Discipline

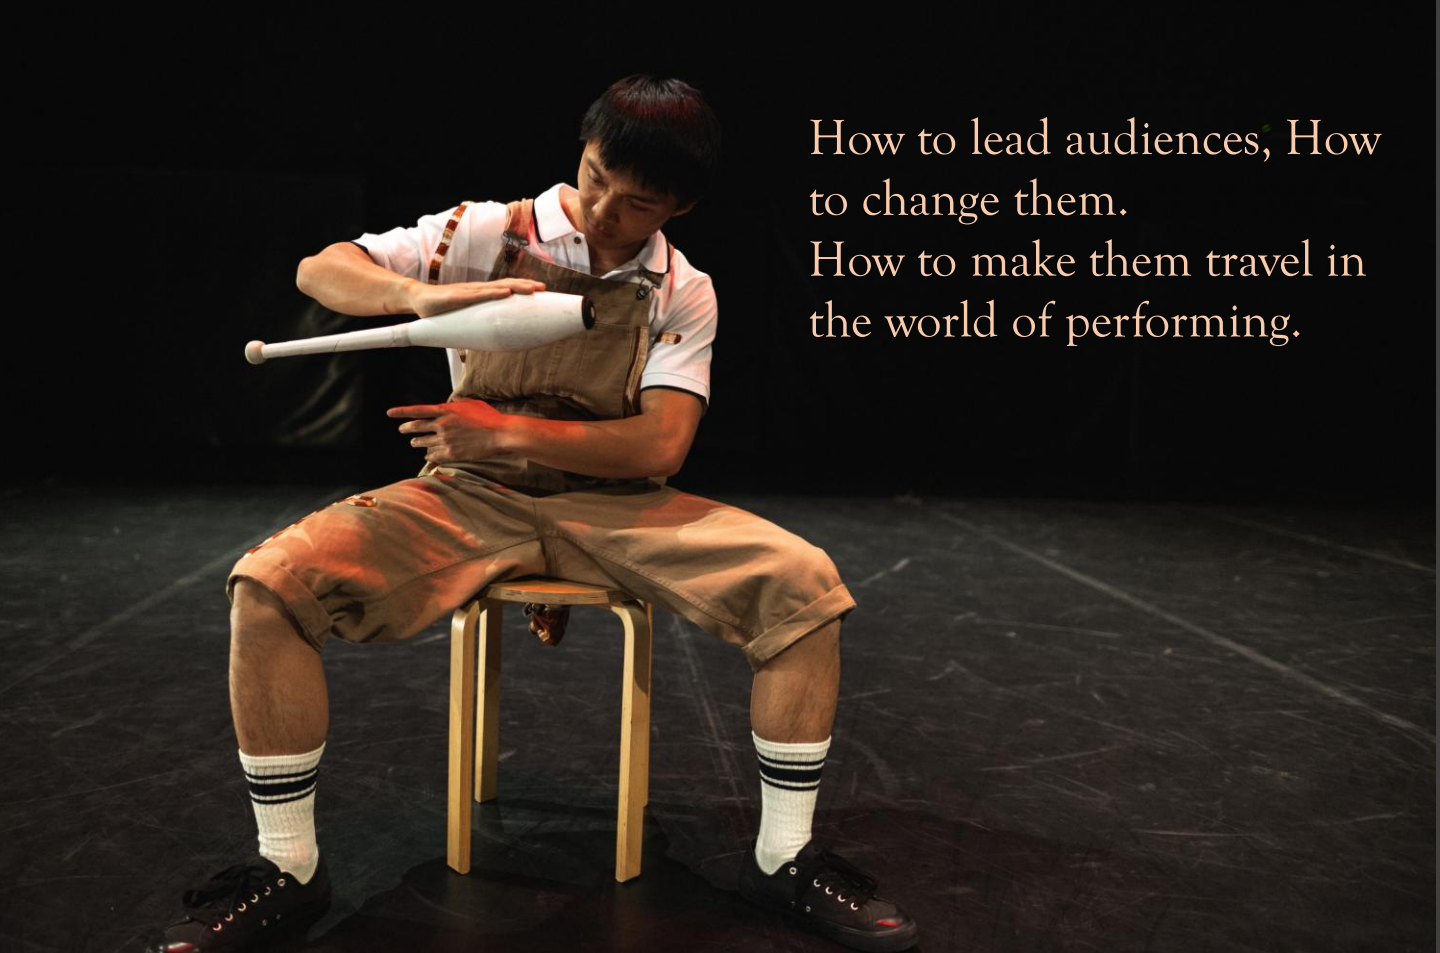

- Mainly Acrobatic and Juggling clubs, Handstands, dance.
- He also likes to explore and manipulate objects, emotions.

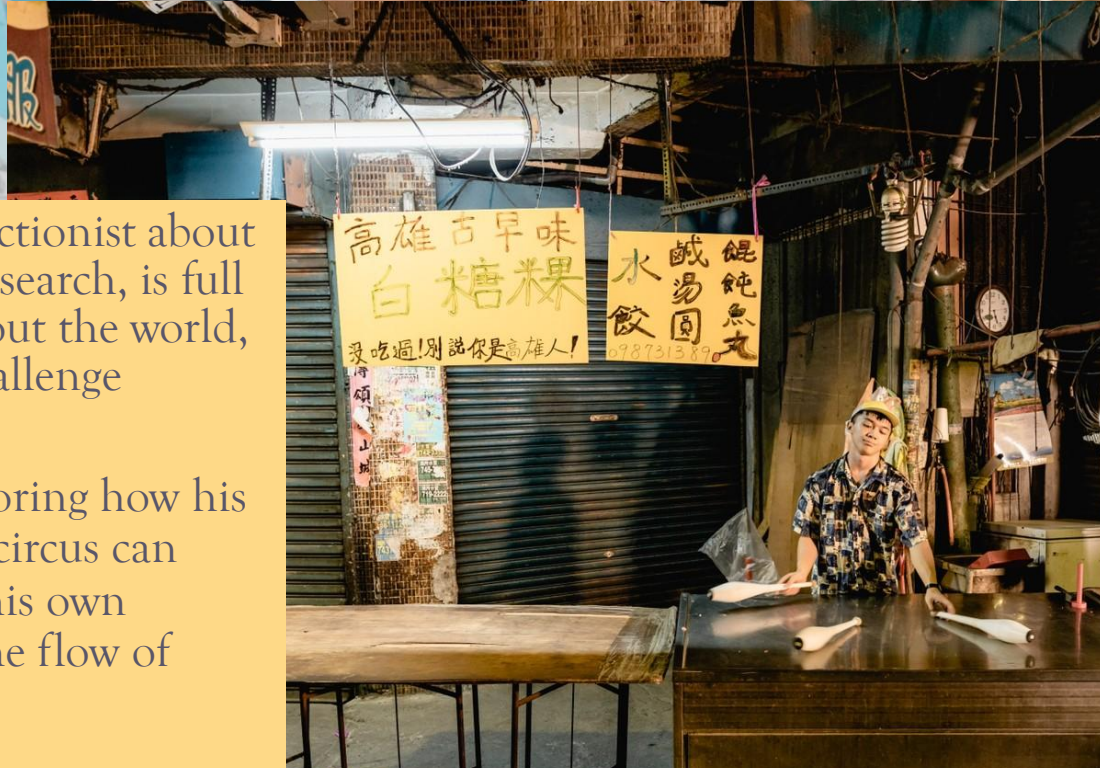

He has collaborated with different artistic fields, such as Site-Specific, opera, contemporary dance company, musicals, percussion, contemporary circus, theater...etc.

How to lead audiences, How to change them.
How to make them travel in the world of performing.

- He's very perfectionist about his technical research, is full of curiosity about the world, and likes to challenge himself.
- He is also exploring how his contemporary circus can leave some of his own footprints in the flow of history.
